

Spazio LEONE

In celebration of the 20th anniversary of London Design Festival, Spazio Leone will be throwing a one-off take over at Hackney Downs Studios. Curated by Napoli-native Gennaro Leone, Wednesday 21st - Sunday 25th September will see a very special design showcase - A celebration of brilliant design, both old and new, expect an exclusive selection of Italian design classics, bold and sculptural pieces. This selection will feature alongside Leone's design debut, and an audiophile installation provided by our friends from [Friendly Pressure](#) & Music by international DJ/broadcaster, music curator (prev. White Cube/Frieze, 180 Strand and Boiler Room) and founder of musical movement, Touching Bass: [Errol](#).
